WORKSHOP

Review of Air Quality and Cleaner-Burning Gasoline Requirements

November 12, 2020

1:00 PM – 3:00 PM (Arizona Time)

Online Webinar

To register, email Roger Fisk at rfisk@azda.gov.

Following registration, you will receive an email with the link and phone number to participate.

Notice is hereby given to the general public that the Arizona Department of Agriculture, Weights and Measures Services Division (WMSD) will hold a workshop open to the public to solicit feedback regarding Arizona Administrative Code Title 3, Chapter 7, Article 7, as it pertains to the Cleaner-Burning Gasoline (CBG) program. The CBG program was implemented 20 years ago to protect air quality. Since that time, gasoline composition and federal requirements have changed significantly. Beginning in 2017, The Arizona Department of Agriculture, Weights and Measures Services Division and Arizona Department of Environmental Quality (ADEQ) have held workshops to review the status of air quality in the CBG-covered area and the State of Arizona along with the requirements of the federal and CBG programs. This meeting will serve as a follow-up to review additional emissions models of alternative fuel formulations developed by ADEQ and Maricopa Association of Governments (MAG) in 2020.

AGENDA:

- Summary of Cleaner Burning Gasoline review - efforts to date
- Update on EPA Fuels Regulatory Streamlining Final Rulemaking October 15, 2020
- Update regarding basis for additional modeling performed in 2020
- Review of modeling results for additional modeling performed in 2020
- Questions/Discussion/Next steps

Persons with disabilities may request a reasonable accommodation, such as sign language interpreter, by contacting Roger Fisk at 602-499-6132 or rfisk@azda.gov. Requests should be made as early as possible to allow time to arrange the accommodation.
